

Project | SEARCH at Jefferson Health

Jefferson Cherry Hill Hospital
Jefferson Stratford Hospital

Ready to prepare for the workforce and get the skills you need to obtain a job that's important to you?

Project SEARCH leads the way to “aspirational employment.”

Project SEARCH is a 10-month opportunity to gain real work experience in a professional business setting. Students are referred by their school districts. Accepted students receive employment training through Y.A.L.E. School at Project SEARCH at Jefferson Cherry Hill Hospital and Jefferson Stratford Hospital from September 2024 – June 2025, in collaboration with Jefferson Health and state agencies. *

Our program is an outstanding choice! Here's why:

40% of graduates have been employed by Jefferson Cherry Hill Hospital and Jefferson Stratford Hospital, in positions including the following departments:
